Lynch BBQ Company's Wedding Services

- **Head table service is family style where our staff pre-sets all table service, salads, breads and condiments on the table. Then we present the bride and groom with the main course to be shared with their wedding party.**
 - **The remaining guests of the wedding serve themselves through a buffet line.**
- **We have scheduled our staff to serve for two hours from stated serving time to clean up. Additional serving or clean up time will be billed on an hourly basis.**
- **We offer roaster or chafing dish service. Our staff will work diligently to provide a beautiful and efficient service for your guests.**
- **Lynch BBQ Catering Staff will dispose of items associated with dining service (bar items and decorations not included in clean up service.)**
 - **Additional services available include beverage services, cake cutting and cake delivery to tables if reserved two weeks in advance. Please contact us for pricing and availability.**
- **We offer several items for decorations including table-covering, table-skirting and linen napkins as well as tents, tables and chairs. Please contact us for an updated list of centerpieces, stones, vases, and candles that we also have available.**
- **A guaranteed guest count is required fourteen (14) days prior to your event.**

Please contact us if there are any other menu items or requests that you would like. We would be glad to assist you in creating the wedding menu that you envision.
